If the Subdivision is expanded and additional Lots are brought into the Subdivision during a given Assessment year, those additional Lots shall pay the Regular Assessment on the first day of the initial conveyance of the Lot from Declarant to the Owner.

Section 5.6 Common Surplus. If the Regular Assessment collected in any given year is in excess of the actual Common Expenses for that year, the Board may, at its sole discretion (a) return each Owner's share of the Common Surplus; (b) credit each Owner's share of the Common Surplus to each Owner's payment as for the Regular Assessment for the following year; or (c) apply the Common Surplus to the reserve.

Section 5.7 Assessment Certificate. The Association shall, upon demand, at any reasonable time, furnish to any Owner liable for Assessments a certificate in writing signed by an Officer or other authorized agent of the Association, setting forth the status of said Assessments; i.e., "current", and if not current, "delinquent" and the amount due. Such certificate shall be conclusive evidence of the payment of any Assessment therein stated to have been paid. A reasonable charge to cover labor and materials may be made in advance by the Association for each certificate.

Section 5.8 Books and Records of the Association. The Association shall keep full and correct books of account. The Association shall make available to all Lot Owners and the holders of all first mortgages on Lots, current copies of the books, records and financial statements of the Association upon reasonable request during normal business hours. All funds collected by the Association shall be held and expended solely for the purposes designated by this Declaration and shall be deemed to be held for the use, benefit and account of the Association and all of the Lot Owners. All books and records must be kept in accordance with good accounting procedures and must be reviewed at least once a year by an independent accounting firm.

Section 5.9 Non-Payment of Assessment. Any Assessments levied pursuant to these covenants which is not paid on the date when due shall be delinquent and shall, together with such interest and other costs as set out elsewhere in this Declaration, thereupon become a continuing lien upon the Lot which shall bind the Lot in the hands of the then Owner and the Owner's successors and assigns.

If the Assessment is not paid within thirty (30) days after the due date, the Assessment shall bear interest at a reasonable rate of ten percent (10%) per year or at such other reasonable rate set by Association in its minutes, not to exceed the maximum amount allowed by law, and the Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot, in either of which events interest, costs and reasonable attorneys' fees shall be added to the amount of each Assessment. No Owner may waive or otherwise escape liability for the Assessments by non-use or waiver of use of the Common Areas or by abandonment of his Lot.

Section 5.10 Priority of Association Lien. The lien provided for in this Article V shall take priority over any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments and liens of bona fide first mortgages which have been filed of record before a claim of this lien hereunder has been docketed in the office of the clerk of superior court in Onslow County, and may be foreclosed in the same manner as a mortgage on real property under power of sale in an action brought by the Association in accordance with the Planned Community Act. The Association is entitled to recover its reasonable attorneys' fees and court costs and collection costs, as part of the lien. In any such foreclosure action, the Association shall be entitled to become a purchaser at the foreclosure sale.

Section 5.11 Disputes as to Common Expenses: Adjustments. Any Owner who believes that the portion of Common Expenses chargeable to his Lot, for which an assessment lien has been filed by the Association, has been improperly charged against his or her Lot, may bring action in an appropriate court of law.

Section 5.12 Purchaser at Foreclosure Sale Subject to Declaration, Bylaws, Rules and Regulations of the Association. Any purchaser of a Lot at a foreclosure sale shall automatically become a Member of the Association and shall be subject to all the provisions of this Declaration, the Bylaws and the Rules and Regulations.

Section 5.13 Non-Liability of Foreclosure Sale Purchaser for Past Due Common Expenses. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot acquires title to the Lot as a result of foreclosure of the first mortgage first deed of trust or by deed in lieu of foreclosure, such acquirer of title, his, her or its successors and assigns, shall not be solely liable for the share of the Common Expenses or other Assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to the Lot by such acquirer, other than Assessments for which a claim of lien has been docketed with the Cumberland County clerk of superior court prior to the recordation of the lien being foreclosed. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from all of the Lots, including that of such acquirer, his, her or its successors or assigns. This provision shall not relieve the party acquiring title or any subsequent Owner of the subject Lot from paying future Assessments.

Section 5.14 Liability for Assessments Upon Voluntary Conveyance. In a voluntary conveyance of a Lot, any grantee or his or her first mortgagee shall inform the Board of Directors in writing of such contemplated conveyance and such grantee or first mortgagee shall be entitled to a statement from the Board of Directors of the Association setting forth the amount of all unpaid Assessments (including current Assessments) against the grantor due the

Association. Neither the grantee nor the mortgagee shall be personally obligated for any delinquent Assessments, but such delinquent Assessments, along with interest, late charges, costs and reasonable attorneys fees shall be a lien against the Lot in accordance with Section 5.9 and Section 5.10 herein.

Section 5.15 Late Charge. The Association may impose a charge against any Lot Owner who fails to pay any amount assessed by the Association against his Lot within ten (10) days after such Assessments are due and payable and who fails to exercise his rights under this Declaration or under the laws of the State of North Carolina to successfully contest such Assessment. The amount of the late charge shall be the greater of (a) twenty and 00/100 Dollars (\$20.00), or (b) twenty percent (20%) of the delinquent amount, or such other amount as allowed by law.

Section 5.16 Miscellaneous.

5.16.1 The Association may change the interest rate due on delinquent Assessments (including any late charges), except that the rate cannot be changed more often than once every six (6) months. As of its effective date, the new interest rate will apply to all Assessments then delinquent.

5.16.2 The Owner has the sole responsibility of keeping the Association informed of the Owner's current address if different from the Lot owned. Otherwise notice sent by Association to the Lot is sufficient for any notice requirement under this Declaration.

5.16.3 The Assessment lien includes all collection costs, including demand letters, preparation of documents, reasonable attorneys' fees, court costs, filing fees, collection fees, and any other expenses incurred by the Association in enforcing or collecting the Assessment.

5.16.4 No Owner of a Lot may exempt himself or herself from liability for his or her contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Areas or by the abandonment of his or her Lot.

5.16.5 This Section 5.15 applies to every type of Assessment.

ARTICLE VI

EASEMENTS AND ENCUMBRANCES

Section 6.1 Easement for Encroachments. The Dwelling Units, all utility lines, and all other improvements as originally constructed by or on behalf of Declarant or its assigns shall have an easement to encroach upon any setback, Lot or Common Area as a result of the location of the building, utility lines and other improvements across boundary lines between and along Lots and/or the Common Areas, or as a result of building or improvement movement or alterations or additions from time to time, provided that such alterations or additions have complied with the requirements of this Declaration.

Section 6.2 Lot's Utility Easements. Easements are granted in favor of each Lot Owner to and throughout the Common Areas and, if necessary, the setback areas of any other Lots, as may be necessary for the installation, maintenance, repair and use of underground water, gas, sewer, power and other utilities and services including power and communication, now or hereafter existing, including maintaining, repairing and replacing any pipes, wires, ducts, conduits, equipment, fixtures, utility, power or communication lines or equipment, or other components. The foregoing notwithstanding, no Lot Owner (other than Declarant) may exercise the easement rights reserved in this Section 6.2 without the prior written approval of the Board as described in Section 6.6 below and the Declarant, so long as it owns a Lot in the Subdivision.

Section 6.3 Utility Easements. Easements are reserved and/or granted hereby in favor of the Declarant and/or the Association through each Lot (provided that such easements shall not materially and unreasonably interfere with the use of any dwelling located upon any Lot) and the Common Areas for the purpose of installing, laying, maintaining, repairing and replacing any pipes, wires, ducts, conduits, equipment, fixtures, utility, power or communication lines or equipment, or other components throughout the Common Areas. Without limiting any other provision in this Article 6, it is understood that Declarant's easement rights reserved herein may be utilized for the benefit of property within or outside of the Subdivision. Each Lot Owner and/or his respective mortgagee by acceptance of a deed conveying such ownership interest and each mortgagee encumbering such ownership interest, as the case may be, hereby irrevocably appoint Declarant, or the Association, as the case may be, as his attorney in fact, coupled with an interest, and authorize, direct and empower such attorney, at the option of the attorney, to execute, acknowledge and record for and in the name of such Lot Owner and his mortgagee, such easements or other instruments as may be necessary to effect the purpose of this Section 6.3. The easements may be assigned and/or granted by the Declarant and/or the Association to any utility or service company.

Section 6.4 General Easements. An easement is hereby reserved and/or granted in favor of the Declarant and/or the Association in, on, over and through the Common Areas, the Lots and/or Dwelling Units for the purposes of maintaining, cleaning, repairing, improving, regulating, operating, policing, replacing and otherwise dealing with the Common Areas, Lots and/or Dwelling Units, including all improvements thereon as required or permitted by the Constituent Documents or applicable law. An easement is hereby reserved in favor of Declarant over the Common Areas for the purpose of advertising or promoting sales of Lots or Dwelling Units in the Subdivision.

Section 6.5 Access Easement. Appurtenant to each Lot is an easement over any Common Area for necessary pedestrian and vehicular ingress and egress to and from any such Lot over the Common Areas, to and from a thoroughfare. The easement shall be over such walkways, driveways, or other ways as are designated by the Declarant and/or the Association and shall be subject to the terms of the Constituent Documents.

Section 6.6 Use of Easement. Any use of the rights and easements granted and reserved in this Article VI shall be reasonable. If any damage, destruction, or disturbance occurs to a Lot or Common Area as a result of the use of any easement or right, the Lot or Common Area shall be restored by, or at the direction of, the Association promptly in a reasonable manner at the expense of the person or persons making the use of the easement or right that resulted in

the damage, destruction or disturbance. Before beginning work, Association may require all or any part of the expected expense to be prepaid by that person or those persons liable for the expense. Additionally, should any Lot Owner other than Declarant elect to exercise its easement rights hereunder, it shall be required to obtain the Board's prior written approval (not to be unreasonably withheld), after providing the Board with detailed plans of its proposed work, as well as evidence of appropriate insurance and other such reasonable information or assurances as the Board may require. No easement may be granted across, through, over, or under any Lot or Common Area, which materially restricts ingress and egress to the Lot or Common Area, unless reasonable alternate ingress and egress is provided or unless the restrictions is only temporary. All easements reserved hereunder shall be perpetual and non-exclusive.

Section 6.7 Reservation of Access Easement by Declarant. Declarant reserves an easement for itself, its grantees, successor and assigns, to enter upon the Subdivision for access, including ingress and egress for both vehicles and pedestrians, to and from any public street, road, land, walkway or right-of-way. The easement shall be over the streets, sidewalks, bridges and other access ways of the Subdivision. Declarant further reserves the right to connect, at Declarant's expense, to any street, roadway, walkway or other means of access that are located on the Common Areas of the Subdivision. This reservation of access easements and the right of connection should be construed liberally in favor of the Declarant, in order to facilitate the development of all or any portion of the Subdivision.

Section 6.8 Reservation of Construction Easement by Declarant. The Declarant reserves the non-exclusive right and easement to temporarily go upon the Subdivision in order to complete the development of the Subdivision and the construction of the improvements to be located therein, and to develop other neighboring land. The easement should be construed broadly in favor of the Declarant, including giving Declarant the right to store temporarily construction materials, equipment or dirt. After the construction is finished, Declarant must, at Declarant's cost, repair any damage done to the Subdivision including to any landscaping. As soon as reasonably possible after Declaration has completed construction on the neighboring land, Declarant must remove all debris, equipment, materials and dirt from the Subdivision.

Section 6.9 Roadway Easement. Pursuant to the Roadway Declaration, Declarant has reserved for the benefit grants to all Lot Owners, the non-exclusive right of ingress and egress on, over and across all public and private roadways (the "Roadways") located on or to be located on a portion of the Subdivision which private roadways extend between one or more publicly dedicated streets. Roadways other than those (if any) that have been accepted by applicable governmental authorities for maintenance, constitute Common Areas and shall be maintained, insured, and repaired by the Association in accordance with this Declaration and the Roadway Declaration. The Declarant hereby reserves the right (but not the obligation), in its sole discretion, to annex additional Roadways into the Subdivision. Notwithstanding the foregoing to the contrary, no part of the Roadway shall be dedicated or transferred to a unit of local government without acceptance of the unit of local government involved.

Section 6.10 Reservation of Easement for Operation and Maintenance of Signage, Fences and Direct Discharge Outlets Along Western Boulevard. The Declarant reserves an easement within the 20 foot strip of land adjacent to the right of way of Western Boulevard to construct, locate, operate and maintain direct discharge outlets, swales, fences as are required by

NC DOT and signage for the subdivision. This reservation of easement should be construed liberally in favor of the Declarant, in order to facilitate the development of all or any portion of the Subdivision.

Section 6.11 Construction and Sale Period Easement. Notwithstanding any provisions contained in the Declaration, the Bylaws, the Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, until Declarant's right unilaterally to subject property to this Declaration terminates and thereafter so long as Declarant owns any property in the Subdivision for development or sale, Declarant reserves an easement across the Subdivision for Declarant, their successors and/or assigns, to maintain and carry on development, construction, and sales activities related to property within or near the Subdivision, upon such portion of the Subdivision as Declarant may reasonably deem necessary. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient or incidental to the development, construction and sales activities related to property within or near the Subdivision. This easement shall include, without limitation: (i) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in any portion of the Subdivision as well as any Lot in the Subdivision; (ii) the right to tie into any portion of the Subdivision with driveways, parking areas and walkways; (iii) the right to tie into or otherwise connect and use (without a tap-on or any other fee for doing so), replace, relocate, maintain and repair any device which provides utility or similar services; (iv) the right (but not the obligation) to construct recreational facilities on the Common Area; (v) the right to carry on sales and promotional activities in the Subdivision; (vi) the right to place direction and marketing signs on any portion of the Subdivision, including any Lot or Common Area; and (vii) the right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development and sales activities. Further, the Declarant, their successors and/or assigns, may use residences, offices or other buildings owned or leased by Declarant, their successors and/or assigns, as model residences and sales offices, and may also use recreational facilities available for use by the Subdivision as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the person causing the damage at its sole expense. This section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

Section 6.12 Declarant's Easements: General. The easements and grants reserved for and granted to the Declarant also benefit and bind any heirs, successors and assigns of Declarant and their respective guests, invitees or lessees, including, without limitation, assignees of Declarant who do not own property within the Subdivision.

Section 6.13 Easements to Run with Land. All easements and rights described in this Article VI are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the Declarant, its successors and assigns, and any Owner, purchaser, mortgagee, and other person or entity now or hereafter having an interest in the Subdivision, or any part or portion of it.

Section 6.14 Reference to Easements and Deeds. Reference in the respective deeds of conveyance or any mortgage or trust deed or other evidence of obligation, to the easements and rights described in this Declaration, shall be sufficient to create and reserve such easements and rights to the respective grantees, mortgagees and trustees in said instruments as fully and completely as those such easements and rights were recited fully and set forth in their entirety in such instruments.

ARTICLE VII

INSURANCE

Section 7.1 General Insurance. In addition to such insurance as is required to be maintained by the Association, the Association shall carry a master policy of fire and extended coverage, vandalism, malicious mischief and liability insurance, and if required by law, workmen's compensation insurance with respect to the Subdivision and the Association's administration thereof in accordance with the following provisions:

7.1.1 The Association shall purchase a master policy for the benefit of the Association, the Lot Owners and their mortgagees as their interest may appear, subject to the provisions of this Declaration and the Bylaws. The "master policy" may be made up of several different policies purchased from different agencies and issued by different companies.

7.1.2 All Common Areas now or at any time hereafter constituting a part of the Subdivision shall be insured against fire and other perils covered by a standard extended coverage endorsement, in an amount not less than one hundred (100%) percent of the replacement value thereof, with a deductible agreed to by the Board of Directors, exclusive of the cost of the land, foundations, footings, excavation, and architect's fees, without deduction for depreciation. The policy shall have cost of demolition, water damage (excluding floods, backing up of sewers and drains, the running off of surface water, and the overflow of a body of water), and agreed amount endorsements and a deductible on any single loss or group of losses within one year in such amounts as shall be found reasonable by the Board of Directors, after carefully considering and comparing the increased premium costs resulting from a low deductible with the lower premium costs but higher per loss risk resulting from a high deductible, together with all other pertinent factors. The policy providing such coverage shall provide that no mortgagee shall have any right to apply the proceeds thereof to the reduction of any mortgage debt. Such policy shall provide coverage for built-in fixtures and equipment in an amount not less than one hundred percent (100%) of the replacement cost thereof (subject to the deductible provisions described above) and shall also provide that the insurer shall have no right to contribution from any insurance which may be purchased by any Lot Owner as hereinafter permitted. Such policy shall also contain either a waiver by the insurer of any increased hazard clause, a severability of interest endorsement, or a provision stating that the coverage will not be affected by the act, omission or neglect of any person unless such act, omission or neglect is within the knowledge and control of the Association prior to the occurrence of the loss. Such policy shall not provide coverage for any items of personal property owned by any Lot Owner.

7.1.3 Such master policy of insurance shall contain provisions requiring the issuance of certificates of coverage and the issuance of written notice to the Association and to

any mortgagee or mortgagees of any Lot Owner not less than thirty (30) days prior to any expiration, substantial modification or cancellation of such coverage.

7.1.4 Such insurance by the Association shall not prevent an Owner of a Lot to obtain insurance on its own property, but no Lot Owner may at any time purchase individual policies of insurance covering any item which the Association is required to insure. If any Lot Owner does purchase such a policy, he or she shall be liable to the Association for any damages, expenses or losses which it suffers or incurs as a result thereof, and the Association shall have the same lien rights provided by Article V hereof for Common Expense payments with respect to any such damages, expenses or losses not paid to it by such Owner.

7.1.5 The Board of Directors shall review the insurance coverage required under this Section 7.1 at least annually, and if any of such insurance coverage becomes impossible or impractical to obtain, the Association shall obtain coverage that most closely approximates the required coverage with the deductible provisions as determined by the Board of Directors. In any event, all such insurance must comply, at a minimum, with the applicable requirements set forth in the North Carolina Planned Community Act.

7.1.6 If the required insurance coverage under this Section 7.1 ceases to exist for any reason whatsoever, any mortgagee of any portion of the Subdivision may remedy that lack of insurance by purchasing policies to supply that insurance coverage. The funds so advanced shall be deemed to have been loaned to the Association; shall bear interest at a per annum rate two percent (2%) higher than the basic interest rate in any note secured by the mortgagee's mortgage against a portion of the Subdivision; and shall be due and payable to the mortgagee by the Association immediately. The repayment of this obligation shall be secured by a Special Assessment against all Lot Owners under Article V of this Declaration and shall not require a vote of the Members of the Association, anything to the contrary in this Declaration notwithstanding.

7.1.7 The Association shall also maintain liability insurance in reasonable amounts, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Common Areas. The Association shall try to have its liability insurance contain cross-liability endorsements or appropriate provisions to cover liability of the Lot Owners, individually and as a group (arising out of their ownership interest in the Common Areas), to another Lot Owner.

Section 7.2 Fidelity Insurance. The Association may have fidelity coverage against dishonest acts on the part of Officers and employees, Members of the Association, members of the Board, trustees, employees or volunteers responsible for the handling of funds collected and held for the benefit of the Lot Owners. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection which is in no event less than the insured's total Regular Assessment, plus all accumulated reserves and all other funds held by the Association either in its own name or for the benefit of the Lot Owners.

Section 7.3 Directors' and Officers' Errors and Omissions Insurance. The Association shall purchase insurance to protect itself and to indemnify any Director or Officer,

past or present against expenses actually and reasonably incurred by him/her in connection with the defense of any action, suit or proceeding, civil or criminal, in which he is made a party by reason of being or having been such Director or Officer, except in relation to matters as to which he shall be adjudged in such action, suit or proceeding to be liable for negligence or misconduct in the performance of duty to the Association; or to obtain such fuller protection and indemnification for Directors and Officers as the law of North Carolina permits. The policy or policies shall be in an amount to be reasonably determined by the Association.

Section 7.4 Premiums. All premiums upon insurance purchased by the Association shall be Common Expenses. Notwithstanding the foregoing, the Lot Owners may be responsible for certain deductibles to the insurance policies purchased by the Association as outlined in Section 7.1 and Section 7.7 herein.

Section 7.5 Proceeds. Proceeds of all insurance policies owned by the Association shall be received by the Association for the use of the Lot Owners and their mortgagees as their interest may appear; provided, however, the proceeds of any insurance received by the Association because of property damage shall be applied to repair and reconstruction of the damaged property, except as may otherwise be permitted by this Declaration.

Section 7.6 Power of Attorney. Each Lot Owner shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of the master policy or any other insurance policy obtained by the Association. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit the premiums therefor, to collect proceeds and to distribute the same to the Association, the Lot Owners and their respective mortgagees as their interest may appear, to execute releases of liability and to execute all documents and to do all things on behalf of such Lot Owners and the Subdivision as shall be necessary or convenient to the accomplishment of the foregoing; and any insurer may deal exclusively with the Association in regard to such matters.

Section 7.7 Responsibility of Lot Owner. The Association shall not be responsible for procurement or maintenance of any insurance covering any Lot or Dwelling Unit, or the contents of and Lot or Dwelling Unit nor the liability of any Lot Owner for injuries not caused by or connected with the Association's operation, maintenance or use of the Common Areas or other property located in the Subdivision. Each Lot Owner shall, at his or her own expense, obtain public liability insurance for personal injuries or damage arising out of the use and occupancy of or occurring within his Lot or Dwelling Unit. In addition, each Lot Owner shall maintain fire and extended coverage insurance on his Dwelling Unit, and the contents of his Dwelling Unit. The Association may request the Lot Owner to provide a copy of the policy(s) to the Association evidencing this insurance coverage at any time.

Each Lot Owner agrees that if any Owner(s) damages a building or other improvements now or at any time hereafter constituting a part of the Common Areas of the Subdivision which is covered under the Association's insurance policy, the Owner or Owners causing such damage shall be responsible for paying the lesser of: (a) the insurance deductible due under the Association's insurance policy; or (b) the cost to repair and/or replace any damage to a building

or other improvements, which amount shall be due within ten (10) days after the delivery of written notice of such deductible due or replacement/repair costs by the responsible Lot Owner(s) or twenty (20) days after mailing of such notice by certified mail, whichever occurs first. In the event a Lot Owner refuses or fails to pay the insurance deductible or replacement/repair costs in the time period provided in the preceding sentence, the amount thereof may be advanced by the Association and the amount so advanced by the Association shall be assessed to such Owner as an Individual Assessment, which shall be due and payable following seven (7) days written notice.

Section 7.8 Release. All policies purchased under this Article VII by either the Association or the individual Lot Owners shall provide for the release by the issuer, thereof, of any and all rights of subrogation or assignment and all causes and rights of recovery against any Lot Owners, member of their family, their employees, their tenants, servants, agents and guests, the Association, any employee of the Association, the Board, or any occupant of a Dwelling Unit in the Subdivision, for recovery against any one of them for any loss occurring to the insured property resulting from any of the perils insured against under the insurance policy.

Section 7.9 Approximate Coverage. If any of the required insurance coverage under this Article VII becomes or is impossible to obtain or can be obtained only at an unreasonable cost, the Association shall obtain coverage which most closely approximates the required coverage, if such substitute insurance is available.

Section 7.10 Additional Policy Requirements. All such insurance coverage obtained by the Association shall be written in the name of the Association, for the use and benefit of the Association, the Lot Owners and their mortgagees, as further identified below. Such insurance shall be governed by the provisions hereinafter set forth:

7.10.1 Exclusive authority to adjust losses under policies in force on the Subdivision obtained by the Association shall be vested in the Association provided, however, that no mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

7.10.2 In no event shall the insurance coverage obtained by the Association hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their mortgagees, and the insurance carried by the Association shall be primary.

7.10.3 All casualty insurance policies shall have an agreed amount endorsement with an annual review by one or more qualified persons.

7.10.4 The Association shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

7.10.4.1 a waiver of subrogation as discussed in Section 7.8;

7.10.4.2 that no policy may be canceled, invalidated, or suspended on account of the acts of any one or more individual Owners;

7.10.4.3 that no policy may be canceled, invalidated or suspended on account of the conduct of any Director, officer or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner or mortgagee; and

7.10.4.4 that any "other insurance" clause in any policy exclude individual Owner's policies from consideration.

ARTICLE VIII

ASSOCIATION

Section 8.1 Association. The administration of the Subdivision shall be vested in the Association. The Owner of any Lot, upon acquiring title, shall automatically become a Member of the Association and shall remain a Member until such time as his ownership of such Lot ceases for any reason, at which time his membership in the Association shall automatically cease. The Association shall have full power and responsibility to administer, operate, sustain, maintain, and govern the Subdivision including but not limited to, the powers and responsibilities to make prudent investments of funds held by it; to make reasonable Rules and Regulations; to borrow money; to make Assessments; to bring lawsuits and defend lawsuits; to enter into contracts; to enforce all of the provisions of this Declaration, the Bylaws and any other documents or instruments relating to the establishment, existence, operation, alternation of the Subdivision. The powers of the Association shall be construed liberally and shall include, without limitation, all of the powers set forth in Section 47F-3-102 of the Planned Community Act.

Section 8.2 Board of Directors. Unless otherwise specifically stated in this Declaration, the Association shall act exclusively through its Board of Directors (the "Board"). The Association in accordance with the Bylaws shall choose the Board. The Board shall be authorized to delegate the administration of its duties and powers by written contract to a managing agent or administrator employed for that purpose by the Board.

Section 8.3 Limitations on Association's Duties.

8.3.1 The Association did not construct the improvements, including the Dwelling Units. The Association does not warrant in any way or for any purpose, the improvements in the Subdivision. Construction defects are not the responsibility of the Association.

8.3.2 The Association shall have a reasonable time in which to make any repair or do any other work, which it is required to do under the Constituent Documents. The Association must first have actual knowledge of a problem. Any determination of the reasonableness of the Association's response, must allow for the facts that the Association is volunteer and that the funds available to the Association are limited.

8.3.3 In case of ambiguity or omission, the Board may interpret the Declaration and the other Constituent Documents, and the Board's interpretation shall be final if made

without malice or fraud. Notwithstanding the foregoing, the Declarant may overrule any interpretation affecting it, for so long as Declarant owns any portion of the Property; and such interpretation cannot be enforced against the Declarant, its successors or assigns.

ARTICLE IX

MORTGAGEE'S RIGHTS

Section 9.1 Notice of Rights of Mortgagee of a Lot. As used herein, the term "Mortgagee" shall mean the holder of a first lien mortgage or deed of trust on a Lot who provides notice to the Association with its name and address with a request to receive any notices and other rights provided to "Mortgagees" under this Article IX. A Mortgagee of a Lot shall be entitled to receive written notification of any default, not cured within sixty (60) days after its occurrence, by the Owner of the Lot with respect to any obligation of the Owner under the Declaration, the Bylaws of the Association or the Articles of Incorporation of the Association. Any Mortgagee of a Lot can make the request for notification. The notification shall be sent not later than the 65th day after the occurrence of an uncured Default.

Section 9.2 Rights of First Refusal. Any right of first refusal now or hereafter contained in this Declaration or any amendment or modification hereto or otherwise arising in favor of the Association or certain Owners shall not apply to or preclude or impair in any way the right of the first Mortgagee to (i) foreclose or take title to the Lot pursuant to the remedies provided in its mortgage; (ii) accept a deed or assignment in lieu of foreclosure in the event of a default under the Mortgage; or (iii) sell or lease a Lot and Dwelling Unit acquired by the Mortgagee.

Section 9.3 Rights of Mortgagee. Unless at least seventy five percent (75%) of the Mortgagees (based upon one vote for each first mortgage or deed of trust owned), and a vote of seventy-five percent (75%) of the votes allocated to the Members entitled to vote hereunder, the Association shall not:

9.3.1 by an act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Subdivision or Common Areas or improvements located thereon which are owned directly or indirectly by the Association for the benefit of the Lots (the granting of easements for public utilities or for other purposes consistent with the intended use of the Subdivision, or the conveyance of Common Area (not including the Recreational Facilities) to a local governmental authority for public park purposes or the conveyance or dedication of Roadways shall not be deemed a transfer within the meaning of this clause);

9.3.2 change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot;

9.3.3 by act or omission change, waive or abandon any scheme of regulation or enforcement thereof pertaining to the architectural design or exterior appearance of the Dwelling Units, the exterior maintenance of the Dwelling Units, the maintenance of common fences or driveways or the upkeep of lawns and plantings in the Subdivision;

9.3.4 fail to maintain fire and extended coverage insurance on insurable Common Areas on current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost); or

9.3.5 use hazard insurance proceeds for losses to any Common Areas for other than the repair, replacement or reconstruction of such Common Areas.

Section 9.4 Right to Examine Books and Records. Mortgagees, their successors or assigns, shall have the right to examine the books and records of the Association.

Section 9.5 Taxes and Insurance. Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Lot and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Lot, and first mortgagees making such payments shall be owed immediate reimbursement therefor from the Lot Owner.

Section 9.6 Insurance Proceeds and Condemnation Awards. No provision of this Declaration or any other document or instrument affecting the title to the Property, Common Areas, any Lot or the organization or operation of the Association shall give an Owner or any other party priority over any rights of first mortgagees of Lots within the Subdivision pursuant to their mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or taking of Common Areas.

ARTICLE X

NON-DEDICATED STREETS

Section 10.1 Use. All non-dedicated streets constructed within the Subdivision (including streets dedicated as public streets but not yet being maintained by a governmental body) are reserved as easements of public access for the common use of Owners (pursuant to the Roadway Declaration) and their families, guests and invitees, by commercial vehicles authorized to make pick-ups and deliveries, by public and private utilities' personnel, trucks and equipment, by postal authorities and mail carriers, by emergency personnel and vehicles such as police, fire and ambulance, and by such other persons or classes of persons authorized by the Board of Directors of the Association, as a means of ingress or egress, and for such other uses as may be authorized from time to time by said Board. Such non-dedicated streets may also include underground utility lines, mains, sewers or other facilities to transmit and carry sanitary sewerage and storm water drainage. Except as provided by this Declaration, no acts shall be taken or things done by an Owner or the Association which are inconsistent with the reservation and grant of use and enjoyment hereinabove provided.

Section 10.2 Snow Removal, Maintenance, Reconstruction or Resurfacing. The Association, at the cost and expense of the Association, shall provide snow removal from, maintenance to and resurfacing or reconstruction of any non-dedicated streets (including streets dedicated as public streets but not yet being maintained by a governmental body, if such streets have been deeded to the Association by the Declarant) or any storm water drainage facilities

included as a part thereof or installed thereunder as it deems necessary or appropriate from time to time within its sole discretion.

ARTICLE XI

STORM WATER MANAGEMENT

Section 11.1 The following covenants are intended to ensure ongoing compliance with State Stormwater Management Permit Number SW8080115MOD, as issued by the Division of Water Quality under NCAC 2H.1000.

Section 11.2 The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the stormwater management permit.

Section 11.3 The covenants pertaining to stormwater may not be altered or rescinded without the express written consent of the State of North Carolina, Division of Water Quality.

Section 11.4 Alteration of the drainage as shown on the approved plan may not take place without the concurrence of the Division of Water Quality.

Section 11.5 The maximum allowable built-upon area per lot is 2846 square feet, exclusive of city sidewalk right of way. This allotted amount includes any built-upon area constructed within the lot property boundaries, and that portion of the right-of-way between the front lot line and the edge of the pavement. Built upon area includes, but is not limited to, structures, asphalt, concrete, brick, stone, slate, coquina and parking areas, but does not include raised, open wood decking, or the water surface of swimming pools or pervious driveways.

ARTICLE XII

USE RESTRICTIONS

Section 12.1 Land Use and Building Type: No numbered lot shall be used except for residential purposes. No structure shall be erected, placed, altered or permitted to remain on any such lot other than one detached single-family dwelling, a private garage for not more than three (3) cars, within a minimum of a one (1) car garage, which garage may contain living quarters for occupancy by domestic servants or family of the lot owner only, and such other outbuildings as may be reasonably appurtenant to the dwelling provided that the same are constructed in line with the general architectural design and construction standards used in the dwelling itself.

Section 12.2 Architectural Control: No building or structure shall be erected, placed or altered on any lot in said subdivision until construction plans and specifications, including a plan showing the location of said building on the lot have been approved by the Declarant (through the end of the Development Period and the Association thereafter) as to quality of workmanship and materials, harmony with external design of existing buildings, and as to location with respect to topography and finished grade elevation.

Section 12.3 Dwelling Cost, Quality and Size: No single-family attached or detached dwelling unit shall be permitted on any such lot or lots which shall give to the improved lot or lots on which the said single-family attached or detached dwelling unit is constructed having a sales price of less than One Hundred Seventy and No/100 (\$170,000.00) Dollars; it being the intention and purpose of this covenant to provide that all dwellings shall be of quality and workmanship substantially the same or better than that which can be produced on the date these covenants are recorded for the minimum sales price herein stated for the minimum permitted dwelling size.

No residence or dwelling unit shall be constructed which shall have a heated area living space of less than 1600 square feet, of which 600 square feet shall be on the first floor of any multi-story building. No residence or dwelling shall exceed three stories in height; stories to be determined by reference to the North Carolina Building Code. The Association reserves the right to allow for a variance for the minimum enclosed heated dwelling area of up to 10% of the stated minimum. Heated area living space shall mean the ordinary living space in a house which is designated and constructed as being heated for regular living use in cold weather. In the computation of floor space, furnace room and exterior storage areas, garage and porches shall not be counted. No residence may be constructed without a garage. No residence may be constructed with a carport. Any plan for construction of a detached garage must have the prior approval of the Declarant (through the end of the Development Period and the Association thereafter), as set out in these Restrictive Covenants.

Section 12.4 Provisions Relating to Wetlands: All of the properties subject to these declarations, conditions, covenants and restrictions shall also be subject to the following Special Provisions Related to Wetlands. In developing the property, the Declarant has agreed with the State of North Carolina and the Department of the Army Corps of Engineers (pursuant to a permit issued by the State of North Carolina and the Corps of Engineers) to restrict and prohibit any future filling and other detrimental activities in the wetlands areas which presently exist within the identified area of the property. Accordingly, all wetlands shown and delineated on the wetland survey plat, and verified by the Corps of Engineers, shall be maintained in perpetuity in their natural or mitigated condition. No person or entity shall fill, grade, excavate, or perform any other land disturbing activities; nor cut, remove, or harm any vegetation; nor construct any structures, nor allow animal grazing or watering or any other agricultural use on such conversation area. Benign structures, such as pile-supported walkways, may be permissible only after reviewed and written consent is provided by the U.S. Army Corps of Engineers. The covenant is intended to ensure continued compliance with the mitigation conditions of authorizations issued by the United States of America, U.S. Army Corps of Engineers, Wilmington District, and therefore may be enforced by the United States of America. This covenant is to run with the land, and shall be binding on the Owner, and all parties claiming under it. A copy of the wetland delineation shall be provided to any Owner who shall be affected thereby.

Section 12.5 Building Location: The building line of any dwelling house or the buildings appurtenant thereto shall not be less than 25 feet from the lot line which the dwelling house fronts. Interior lot line and side yard set-back requirements shall be as provided in the City of Jacksonville and/or Onslow County Subdivision Regulations governing residential developments. In the event that the regulatory boards for the City of Jacksonville and/or Onslow

County Commissioners at a later time adopt a "zero lot line" set back for the development then that ordinance shall apply to this development. Where a garage or other permitted accessory building is located within 30 feet of the rear property line, then there shall be a five foot side yard requirement for the rear 30 feet of the lot. A rear yard set-back requirement of 30 feet shall be maintained for those lots abutting other properties outside the subdivision. Nothing shall be built within ten (10) feet from each lot's curb as this is a utility easement.

With respect to corner lots, the building line of any dwelling house or unit of the building appurtenant thereto shall not be less than 25 feet from the street on which the dwelling house or unit fronts. The provisions of the City of Jacksonville and/or Onslow County Subdivision Regulations governing residential developments shall be complied with in determining the set back from the side street property line and the required rear yard, if any.

For the purposes of these covenants, eaves and steps shall not be considered as a part of the building; provided, however, that this shall not be construed to permit any portion of a building to encroach upon another lot. Open fire escapes, outside stairways, the ordinary projections of chimneys and flues, swimming pools, flag poles, decorative fountains and other similar items are not subject to the building lines so long as they do not obstruct light and ventilation necessary for the structure on the adjoining lot. A variance no more than 10% of the set-back requirements of this covenant shall be deemed to be in compliance with the requirements stated herein.

Section 12.6 Erection of Fences and Signs: No fence shall be erected on any lot closer to the front of the lot than the house's rear corner nearest to the street. No fence shall be built within any easement for utilities as set forth in these covenants. Fencing traversing a lot shall be parallel with the front line. In the event a house has already been established on the lot adjacent to the corner lot, no fencing shall be erected on the corner lot any closer to the front of the lot than the distance the front corner of the adjacent structure is from its front property line; in any event, fencing shall be no closer than the house's rear corner. No fence shall be erected on any lot until the design and materials of the fence have been approved by the Declarant (through the end of the Development Period and the Association thereafter). Clotheslines are not permitted on any lot. No fence shall be over six feet in height.

No fences, including decorative split-rail fences, are permitted in the front yard of a lot.

Section 12.7 Illegal Activity: No illegal, noxious or offensive activity shall be permitted or carried on, on any part of said land, neither shall anything be permitted or done which is or may become a nuisance or a source of embarrassment, discomfort or annoyance to the neighborhood. No trash, garbage, rubbish, debris, waste material or other refuse shall be deposited or allowed to accumulate or remain on any part of said land, or upon any land or lands contiguous thereto. No fires or burning of trash, leaves, clippings or other debris or refuse shall be permitted on any part of said land without the required permits issued by the appropriate authority.

Section 12.8 Artesian Wells: No artesian wells may be drilled or maintained on any building lot without first obtaining the written consent of the Declarant (through the end of the Development Period and the Association thereafter). The central water supply system provided

for the services of said land shall be used as the sole source of water for all water spigots and outlets within all buildings and improvements located on each building lot. No individual water supply system or well shall be permitted on the building lot except to supply water for irrigation purposes, swimming pools or other exterior use. All lots shall be subject to services charges and fees and any and all assessments levied in connection with the central water supply system service to the respective subject lots.

Section 12.9 Animals and Livestock: No animals, livestock or poultry of any kind shall be raised, bred or kept on the property, except cats, dogs, and other common household pets and they shall not exceed three (3) of each, provided that they are not kept, bred or maintained for any commercial purposes. Household pets shall not roam freely; they must remain in the yard or, if not in the yard, on a leash.

Section 12.10 Automobiles, Etc: No automobiles, boats, campers or any other motor vehicle may be dismantled on said property. No mechanically defective automobile or currently unlicensed automobile shall be placed or allowed to remain on said property over ten (10) days. No junked cars shall be placed or allowed to remain on said property. Trailers, boats, campers and like recreational vehicles shall be permitted to be kept or stored upon a lot as long as all reasonable measures have been taken to make them as unseen as possible from the road.

Section 12.11 Obstructions: The Association shall have the right, but not the obligation, to remove or require the removal of any fence, wall hedge, shrub, bush, tree or other object, natural or artificial, placed or located on any building plot, if the location of the same will in the sole judgment and opinion of the Association obstruct the vision of a motorist upon any of the access ways.

Section 12.12 Regulate Traffic: The Association shall have the right, but not the obligation, from time to time to control and regulate all types of traffic on said access ways, including the right to prohibit use of said access ways by traffic which, in the sole discretion of the Association, would or might result in damage to said access ways or pavements or other improvements thereon, and the right, but not the obligation to control and prohibit parking on all or any part of said access ways.

Section 12.13 Type of Construction: No building or other improvement may be constructed with an exterior wall finish of concrete or cinder block type construction or shall be finished in asbestos siding shingles.

Section 12.14 Window Air Conditions: No window air conditioning units shall be installed in a building visible from the road which the building faces.

Section 12.15 Utility: All telephone, electric, gas, phone, cablevision lines and connections between the main utility lines and the residence and other buildings located on each building plot shall be located underground.

Section 12.16 Utility Company: The Declarant reserves the right to subject the real property in this entire subdivision to a contract with the Jones-Onslow EMC and/or City of Jacksonville or any other utility company, for the installation of underground electric cables

and/or the installation of street lighting, either or both, of which may require a continuing monthly payment from the owner of the lot.

Section 12.17 Type of Residence: No trailer, basement, or any outbuilding of any kind, other than a guest house or servant's quarters, even if otherwise permitted hereunder to be or remain on a building lot, shall be used as a residence either temporary or permanently.

Section 12.18 Declarant or Builder Signs: Nothing contained in these covenants and restrictions shall prevent the Declarant; approved Builder, or any person designated by the Declarant, from erecting or maintaining such commercial, display signs or directional signs and such temporary dwelling, model house and other structures as the Declarant may deem advisable for development purposes.

Section 12.19 Signs: No sign or signs other than a "For Sale," "for Rent" or directional sign shall be displayed within the Subdivision, and these signs shall not exceed five (5) square feet total area. Signs, without limitation as to size (subject to any applicable governmental regulations), may be erected by the Declarant or a builder for a sales center or model home during construction and/or sales of buildings on lots.

Section 12.20 Swimming Pools: No swimming pool shall be constructed on any lot unless the proposed location shall have been first approved in writing by the Declarant (through the end of the Development Period and the Association thereafter) and said pool, with required fence, shall be built in accordance with all applicable City of Jacksonville and/or Onslow County Zoning Ordinances and Regulations. Above ground pools are not permitted.

Section 12.21 Mail Boxes: No mail box or paper box or other receptacle of any kind for use in the delivery of mail or newspapers or magazines or similar material shall be erected or located, on any building lot unless size, location and design and type of material for said boxes or receptacles shall have been approved by the Declarant (through the end of the Development Period and the Association thereafter). Brick and similar encasements are not permitted to be built around mailboxes, as they create a permanent structure in the utility right of way.

Section 12.22 Approval of Plans: No construction shall begin on any lot, neither shall any building or other improvement be erected, placed or altered on any lot until the construction plans and specifications and plans showing location of the structure on the individual lot have been approved in writing by the Declarant (through the end of the Development Period and the Association thereafter). This approval shall be as to the quality of workmanship and materials, harmony of external design with existing structures, and as to the location with respect to topography and finished grade elevation. The Association may, but is not required to, delegate its duties under this paragraph to an architectural committee created for this purpose. Such assignment will be by a document recorded in the office of the Register of Deeds for Onslow County, North Carolina.

Section 12.2 Radio or Television Aerials: Except as provided below, no radio or television aerial, antenna, or any other exterior electronic or electronic equipment or devised of any kind shall be installed or maintained on the exterior of any structure located on a building lot or any other portion of any building lot. A satellite dish,

no greater than eighteen (18) inches in diameter may be installed, as long as it is not visible from the street. Every owner of a lot upon which construction is performed shall provide a dumpster (or such other reasonable substitute used by builders) for the purpose of collection and disposal of all construction debris for the duration of the project.
