Any Supplemental Declaration must be in writing and filed with the Onslow County Register of Deeds Office.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Lot shall be a Member of the Association and shall be subject to annual and/or other assessments. Membership shall be appurtenant to and may not be

separated from ownership of a Lot which is subject to assessment. The Association shall be established before any Lots are sold by Declarant.

Section 2. The Association shall have the following two classes of voting membership:

Class A. Class A Members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any such Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote or a fractional vote be cast with respect to any Lot, and in no event shall fractional votes be allowed.

Class B. The Class B Members shall be Declarant and shall be entitled to six (6) votes for each Lot owned. The Class B membership shall cease and be converted to a Class A membership at the earliest of the following events:

Notwithstanding that there shall be two (2) classes of voting membership in the Association, voting shall be based upon the votes cast by the membership as a whole, not on votes cast by or within each class of voting membership.

From and after the happening of these events, whichever occurs earlier, the Class B Member shall be deemed to be a Class A Member entitled to one (1) vote for each Lot in which it holds the interest required for Ownership under Section 1 hereof.

Section 3. Dissolution of Association. The Association shall be dissolved upon the termination of the Declaration, or upon written assent given in writing and signed by not less than Eighty Percent (80%) of all votes of the Association as are allocated to the Lot Owners. A termination agreement shall be recorded. The Association may be guided by the laws as so established in N.C.G.S. 47F on the termination of the Association. Upon Dissolution or insolvency of the Association, or upon loss of ownership of the Common Areas (once such ownership has been acquired) by the Association for any reason whatsoever (except for exchange or dedication or conveyance of any part or all of the Common Area as allowed by this Declaration or by reason or merger and/or consolidation with the Common Area as allowed in this Declaration), any portion of the Common Area not under the jurisdiction of the Town of Richlands and being maintained by the Association, shall be offered to the Town of Richlands, or some other appropriate governmental entity or public agency (as determined by the Board) to be dedicated for public use for purposes similar to those to which the Common Area and such assets were required to be devoted as defined by the Association. governmental entity need to accept such conveyance for it to be valid. Once received by the Town of Richlands or other governmental entity, such portion of the Common Area and assets shall be conveyed by deed by the Association to said entity, subject to the superior rights of the Owner of each Lot to an easement (if necessary) for reasonable ingress and egress to and from such Owners Lot and the public or private street(s) on which such Lot is located and subject to all other applicable rights of way and easements and to ad valorem property taxes subsequent to the date of conveyance. Should the Town try to refuse the offer of dedication and conveyance, the Association may transfer and convey such Common Area and assets to any nonprofit corporation, association, trust or other entity which is or shall be devoted to purposes and uses that would most near conform to the purposes and uses to which the Common Area was required to be devoted by this Declaration, such conveyance being made subject to the rights of the Owners and other matters set forth above.

ARTICLE IV

USE AND BUILDING RESTRICTIONS AND RULES

Declarant reserves the right from time to time to waive each section of this Article IV provided that any waiver is to be in writing, signed by Declarant and recorded in the Onslow County Registry.

Section 1. General. This Article sets out certain use and building restrictions to which all Owners must comply. The Declarant may, from time to time, promulgate rules and regulations applicable to the use of the Property. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners.

The Architectural Control Committee (the "ACC"), and any Owner shall have the power to file an injunction with the appropriate judicial authority to enforce all of the covenants and conditions contained in this Article.

The ACC has discretion to grant variances, except as prohibited by Onslow County regulations, to all use and building restrictions found in this Article so long as such variance maintains and does not violate the overall aesthetic nature of the Subdivision and such a variance is obtained in writing signed by the ACC and recorded in the Onslow County Registry.

Section 2. Owner's Responsibility/Association Responsibility. All maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with this Declaration. Such maintenance shall include, without limitation, (i) the repairing and painting (or other appropriate external care) and otherwise caring for the dwelling and all other structures located on the Lot; (ii) the seeding, fertilizing and watering of all lawns and mowing, edging, clipping, sweeping, pruning, raking and otherwise caring for all lawns; (iii) the pruning and trimming of all trees, hedges and shrubbery so that the same are not obstructive of a view by motorists or pedestrians of street traffic, do not cause unsightly or unkempt conditions and do not trespass onto the property of others; and (iv) the maintenance, repair and painting of all fences on the Lot. If the Declarant (or Association, after expiration of the Declarant Control Period) determines that any Owner has failed or refused to discharge properly any of such Owner's

obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible hereunder, the Declarant/Association shall, except in an emergency situation, give the Owner written notice of the intent to provide such necessary maintenance, repair, or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) calendar days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, if such maintenance, repair, or replacement is not capable of completion within a ten (10) calendar day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Declarant/Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense. The remedies provided in this Section shall be in addition to, and not in lieu of, other remedies provided in this Declaration for a violation of the Declaration.

The Underground Electric Service Land Development Agreement, recorded in Book 5581, Pages 599 – 604 in the Onslow County Register of Deeds Office, is hereby made a part of and incorporated herein. So long as street lighting service is provided to the Subdivision by the Jones-Onslow Electric Membership Corporation (the "Cooperative") pursuant to the Underground Electric Service Land Development Agreement, a surcharge as determined by the Cooperative shall be added to each Owner's monthly electric bill.

It shall be the responsibility of each Owner to prevent and correct unclean, unsightly or unkempt conditions of buildings or on Lots. All Lots shall be kept clean and free of garbage, junk, trash, debris, non-operable vehicles or apparatus and vehicles without valid and proper license plates and registration, and any substances and conditions that might contribute to an unsightly condition, health hazard or the breeding and habitation of snakes, rats or insects. "Lot" as used in this section also includes that portion of the Lot between the right of way and the pavement.

Common Areas and improvements thereon shown on the recorded Maps of the Property shall be maintained by the Association.

The streets within the Subdivision shall be constructed to standards required for maintenance, dedication and acceptance for public use by NCDOT. Developer shall remain responsible for any maintenance or repair necessary for any streets until maintenance is formally accepted by the North Carolina Department of Transportation ("NCDOT") or five years from the date Developer conveyed portions of the Property to Declarant as evidenced by that certain Deed recorded on _____ in Deed Book _____, Pages _____ in the Onslow County Register of Deeds Office, whichever occurs earlier; provided, if the maintenance has not been formally accepted by NCDOT at the end of five years from the date prescribed herein, the Association shall maintain and repair the streets until maintenance is accepted by NCDOT. Until the expiration of the five-year period prescribed herein, all repairs to the streets necessary for the NCDOT to accept maintenance of the streets will be performed by Developer. Prior to the NCDOT accepting the maintenance of the streets, damages to the streets not caused by construction defects, or the failure of Developer to follow and meet the original specifications and which exceed damages caused by ordinary wear and tear, the Association shall repair such damages at its cost.

Section 3. Compliance with Stormwater Operation & Maintenance Agreement and High-Density Residential Subdivision Deed Restrictions and Protective Covenants. Each Owner within the Subdivision shall be subject to and comply with the Operation and Maintenance Agreement recorded on October 20, 2021 in Book 5599, Pages 847 – 854 in the Onslow County Register of Deeds Office, which includes the High-Density Residential Subdivision Deed Restrictions and Protective Covenants. Any proposed amendment to this Declaration affecting the Stormwater Management System must be approved, in writing, by the State of North Carolina, Division of Energy, Mineral and Land Resources.

I. The following covenants are intended to ensure ongoing compliance with the State Stormwater Management Permit Number SW8 200205, as issued by the Division of Energy, Mineral and Land Resources (the “Division”) under 15A NCAC 02H.1000, effective January 1, 2017:

- a) The State of North Carolina is made a beneficiary of these covenants to the extent necessary to maintain compliance with the Stormwater Management Permit.
- b) These covenants are to run with the land and be binding on all persons and parties claiming under them.
- c) The covenants pertaining to stormwater may not be altered or rescinded without the express written consent of the Division.
- d) Alteration of the drainage as shown on the approved plans may not take place without the concurrence of the Division.
- e) The maximum built-upon area (BUA) per lot is 4,000 square feet. This allotted amount includes any BUA constructed within the lot property boundaries, and that portion of the right-of-way between the front lot line and the edge of the pavement not shown on the approved plans. BUA has the same meaning as G.S. 143-214.7, as amended.
- f) The maximum allowable BUA shall not be exceeded on any lot until the permit is modified to ensure compliance with the stormwater rules, permit, and the approved plans and specifications.
- g) All runoff from the BUA on the lot must drain into the permitted system. This may be accomplished via grading, a stormwater collection system and/or a vegetated conveyance.
- h) A 50-foot wide vegetative setback must be provided and maintained adjacent to all surface waters in accordance with 15A NCAC 02H.1003(4) and the approved plans.
- i) Any individual or entity found to be in noncompliance with the provisions of a stormwater management permit or the requirements of the stormwater rules is subject to enforcement procedures as set forth in NCGS 143, Article 21.

Upon transfer of the State Stormwater Management Permit Number SW8 200205, as issued by the Division of Energy, Mineral and Land Resources under the Stormwater Management Regulations (“Permit”), to the Association, the Association shall continuously operate and maintain the Stormwater Management System according to the Stormwater Management Regulations contained in the North Carolina Administrative Code and the conditions of the Permit.

Section 4. Land Use and Building Type. Each Lot shall be used exclusively for single-family, non-transient, residential purposes and, except as allowed by the terms of this Declaration, no building or other structure shall be constructed, placed or allowed to remain on a Lot except one single-family dwelling, an attached or detached garage and an outbuilding or storage building which meets the requirements contained in this Declaration and any subsequent architectural guidelines. A home office may be maintained and business activities can be carried out within the dwelling as long as there is no sign or other evidence that any type of business activity is being carried on inside the dwelling. There are to be no retail business or commercial customers to a dwelling. There shall be absolutely no business activity carried on outside the residential dwelling. Provided, however, Declarant and Builder shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of the Subdivision and sales and re-sales of Lots, homes or other properties owned by Declarant or Builder or others outside of the Subdivision. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of the Subdivision, including Common Area, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Area to show Lots or homes. Declarant and Builder shall have all of the foregoing rights without charge or expense.

Notwithstanding the foregoing, the provisions in this Section shall in no way limit the ability of the Declarant to subject other subdivision property to additional covenants and/or restrictions.

Section 5. Architectural and Landscaping Standards. No exterior construction, alteration, addition, erection or landscaping of any nature whatsoever shall be commenced or placed upon any part of the Property, except such as is installed by Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. No exterior construction, addition, erection, alteration or landscaping shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, color, texture and location shall have been submitted in writing to and approved by the ACC. Such plans must also be approved and a building permit obtained from the applicable governmental authorities if so required. Declarant reserves the right to approve any plans and specifications submitted by Builder to Declarant, which shall be in writing and signed by Declarant ("Builder Approval"). Builder Approval shall be deemed as a blanket approval that complies with all conditions, architectural standards, and design guidelines herein or supplemented hereafter. Furthermore, any Builder with Builder Approval shall not be subject to review or inspection by ACC or Association.

The initial ACC shall consist of three (3) members, all initially appointed by the Declarant. The ACC may employ architects, engineers, or other Persons as it deems necessary to enable the ACC to perform its review. The ACC may, from time to time, delegate any of its rights or responsibilities hereunder to one or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated. Written design guidelines and procedures may be promulgated for the exercise of this review which guidelines may provide for a review fee charged to the applicant. During the Declarant Control Period, Declarant shall have the sole right to appoint all members of the ACC. Upon the expiration or

earlier surrender in writing of such right, the Declarant shall turn full control of the ACC over to the Association.

If the ACC fails to approve or to disapprove submitted plans and specifications within sixty (60) calendar days after the completed plans and specifications have been submitted to it, the foregoing will be deemed approved. However, all activities commenced pursuant to such plans which have been deemed approved shall be consistent with such plans. In addition, no approval, whether expressly granted or deemed granted as provided herein, shall be inconsistent with this Declaration or any design guidelines promulgated hereunder unless a waiver or variance has been granted in writing.

As a condition of approval under this Section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration made of a Lot. In the discretion of the ACC, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner or such Owner's successors-in-interest. The ACC shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. Any member of the ACC or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictive covenants have been or are being complied with. Such person or persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the ACC, in the event of noncompliance with this Section, the ACC may record, in the appropriate public registry, a notice of violation naming the violating Owner and describing the Lot.

PLANS AND SPECIFICATIONS ARE NOT APPROVED FOR ENGINEERING OR STRUCTURAL DESIGN OR QUALITY OF MATERIALS AND BY APPROVING SUCH PLANS AND SPECIFICATIONS, NEITHER THE DECLARANT, THE ACC OR THE MEMBERS THEREOF, NOR THE ASSOCIATION ASSUMES LIABILITY OR RESPONSIBILITY THEREFOR, OR FOR ANY DEFECT IN ANY STRUCTURE CONSTRUCTED FROM SUCH PLANS AND SPECIFICATIONS. EVERY PERSON WHO SUBMITS PLANS OR SPECIFICATIONS AND EVERY OWNER AGREES THAT SUCH PERSON OR OWNER WILL NOT BRING ANY ACTION OR SUIT AGAINST DECLARANT, THE ASSOCIATION, THE ACC, THE BOARD, OR THE OFFICERS, DIRECTORS, MEMBERS, EMPLOYEES, AND AGENTS OF ANY OF THEM TO RECOVER ANY DAMAGES AND HEREBY RELEASES, REMISES, QUITCLAIMS, AND COVENANTS NOT TO SUE FOR ALL CLAIMS, DEMANDS, AND CAUSES OF ACTION ARISING OUT OF OR IN CONNECTION WITH ANY JUDGMENT,

NEGLIGENCE, OR NONFEASANCE AND HEREBY WAIVES THE PROVISIONS OF ANY LAW WHICH PROVIDES THAT A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS, DEMANDS, AND CAUSES OF ACTION NOT KNOWN AT THE TIME THE RELEASE IS GIVEN.

Section 6. Signs. No sign of any kind shall be erected by an Owner within the Property or Subdivision without the prior written consent of the ACC except (a) when offering a Lot or residence for sale or for lease, not more than one (1) professionally lettered "For Sale" or "For Rent" sign having a maximum area of four (4) square feet and a maximum height of four (4) feet above ground level, (b) professional security signs (c) any signs required by legal proceedings, and (d) signs erected by Declarant or Builder. Notwithstanding the foregoing, the ACC shall have the right to erect reasonable and appropriate signs. Declarant may elect to remove any sign not meeting the above qualifications without any advance notice to Owner and shall not be liable to Owner for such removal. No vehicle may be left upon any portion of the Property or Subdivision, if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways unless said vehicle is located in the garage. Any such vehicle shall be considered a nuisance and may be removed from the Property or Subdivision.

No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles and vehicles authorized by the Board.

Section 8. Leasing. Lots may be leased for residential purposes. All leases shall have a minimum term of at least twelve (12) months. All leases shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration and Supplemental Declarations, if any

and any rules and regulations promulgated by the Declarant or the Association. The lease shall also obligate the tenant to comply with the foregoing, and the lease shall provide that the violation of any provision of this Declaration and Supplemental Declarations, if any, shall be a breach of said lease, subjecting the tenant to termination of the lease and eviction. In addition, any violations of the covenants contained in this Declaration by the tenant or any person residing at the Lot shall be the responsibility of the Lot Owner.

Section 9. Occupants Bound. All provisions of the Declaration, Bylaws, and of any rules and regulations, use restrictions or design guidelines promulgated pursuant thereto which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all occupants even though occupants are not specifically mentioned.

No pets shall be kept, bred or maintained for any commercial purpose. No household pet that has caused damage or injury may be walked in the Subdivision. If the Declarant or Association determines, in its sole discretion, that a pet endangers the health, makes objectionable noise, has a vicious or dangerous propensity, or constitutes a nuisance or inconvenience, either may issue a written notice to Owner that said pet must be removed from the Subdivision within ten (10) calendar days. If Owner does not remove said pet within the time limit provided in the notification, Declarant or Association may have the pet removed from the Subdivision by an animal control authority or other appropriate authority. The cost of such removal shall be the responsibility of Owner and shall be an assessment against the Lot of Owner.

No structure for the care, housing or confinement of any animal shall be constructed, placed or altered on any Lot unless plans and specifications for such structure have been approved by the ACC in accordance with this Declaration. A leash shall be used for all animals and pets which are outside the confines of their house or a fenced-in area.

No noxious or offensive activity shall be carried on within the Subdivision, nor shall anything be done tending to cause embarrassment, discomfort, annoyance, or nuisance to any Person using any property within the Subdivision. There shall not be maintained any plants or animals or device or thing of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Lots or property within the subdivision. Without limiting the generality of the foregoing, no speaker, horn, whistle, siren,

If Owner does not begin the removal of debris and/or reconstructing within sixty (60) days of said occurrence, the Declarant and/or Association may remove any debris, the costs of which shall be the responsibility of Owner and shall be collected as an assessment, so as to return the Lot to a neat and clean appearance; provided, however, there shall be no removal of any debris if prohibited by an applicable governmental authority, on-going investigation or law.

Section 12. Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken in any part of the Property or Subdivision except in an enclosed garage.

Section 13. Antennas. The ACC may issue rules regarding the erection of exterior antennas, including, without limitation, satellite dishes; provided such rules do not prevent reception of acceptable quality signals or cause an unreasonable delay or cost. Unless screened and located in the rear of the home to provide minimum visual impact on neighboring properties and so as to be unseen from the streets, no exterior antennas of any kind, including without limitation, satellite dishes, shall be placed, allowed, or maintained upon any portion of the Property or Subdivision, including any Lot; provided such screening and location do not prevent reception of acceptable quality signals or cause an unreasonable delay or cost. In no event shall any such antenna or satellite dish in excess of one (1) meter in size be permitted in the Property or Subdivision except if installed by the Declarant as provided in this Section. Declarant shall have the right (but shall not be obligated), to erect a master antenna, satellite dish or other similar master system for the benefit of the Property or Subdivision. Each Owner acknowledges that this provision benefits all Owners and each Owner agrees to comply with this provision despite the fact that the erection of an outdoor antenna or similar device would be the most cost-effective way to transmit or receive the signals sought to be transmitted or received.

Section 14. Tree Removal. No trees that are more than four (4) inches in diameter (twelve and one-half (12 1/2) inches in circumference) at a point four and one-half (4 1/2) feet above the ground shall be removed without the prior written consent of the ACC except (a) dead or diseased trees, (b) trees that are located within ten (10) feet of a drainage area, a septic field, a sidewalk, a residence or a driveway, (c) trees removed by Declarant or Builder, or (d) trees removed during the construction of the original dwelling on a Lot.

Section 15. Drainage. Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner or occupant may obstruct or re-channel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. During the Declarant Control Period, Declarant hereby reserves for the benefit of Declarant and the Association, if any, and their respective successors and assigns

(perpetually) an easement across the Property and Subdivision property for the purpose of altering drainage and water flow. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property or Lots, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

Section 16. Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem.

Section 17. Garbage Cans, Woodpiles, Etc. All garbage cans, woodpiles, swimming pool pumps, filters and related equipment and other similar items shall be located or screened so as to be concealed from view of neighboring streets and property; provided, however, if rubbish, garbage or any other form of solid waste is to be disposed of by being collected on a regular and recurring basis, containers may be placed in the open on the evening before a pick-up is to be made as necessary to provide access to persons making such pick-up. All rubbish, trash, and garbage shall be regularly removed (no less frequently than weekly) and shall not be allowed to accumulate. Trash, garbage, debris, or other waste matter of any kind may not be burned within the Property or Subdivision except by Declarant or Builder during the original construction on a Lot.

Section 18. Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with the prior written approval of the ACC and appropriate governmental entity. Declarant, however, hereby expressly reserves the right to re-plat any Lot or Lots owned by Declarant for as long as Declarant has the right unilaterally to annex additional property to the Property pursuant to the provisions of this Declaration. Any such division, boundary line change, or re-platting shall not be in violation of the applicable subdivision and zoning regulations and shall not constitute a violation of the Declaration.

Section 19. Firearms, Hunting Prohibited. The use or discharge of firearms in the Subdivision is prohibited unless such firearm is used or discharged as a means of self-defense. The term "firearms" includes without limitation "B-B" guns, pellet guns, bows and arrows, sling shots and small firearms of all types. There shall be no discharging of firearms, guns or pistols of any kind, caliber, type or method of propulsion; and no target practice or hunting of any type shall be carried on or conducted on the Subdivision.

Section 20. Fences and Party Walls. No fence or fencing type barrier of any kind shall be placed, erected, allowed, or maintained upon any portion of the Property or Subdivision, including any Lot, without the prior written consent of the ACC. The ACC may issue guidelines detailing acceptable fence styles or specifications, but all such fences or fencing type barriers must be made of material approved by the ACC and in no event may an uncoated chain link or barbed wire fence be approved. Each wall or fence built as a part of the original construction on the Lots which shall serve and separate any two (2) adjoining Lots shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. The cost of reasonable repair and maintenance of a party wall or

fence shall be shared by the Owners who make use of the wall or fence in equal proportions. If a party wall or fence is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance and repaired out of the proceeds of insurance, any Owner who has used the wall may restore it, and if the other Owner or Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in equal proportions without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions. Any Owner performing any such repair or restoration shall have the right to go upon the adjoining Lot(s) to the extent necessary to perform such repair or restoration. Such repair or restoration shall be done expeditiously and upon completion, such Owner shall restore the adjoining Lot to as near the same condition which prevailed on it before the commencement of such repair and restoration as is reasonably possible. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title.

Section 21. Utility Lines. Except as may be permitted by the ACC, no overhead utility lines, including lines for cable television, shall be permitted within the Property or Subdivision, except for temporary lines as required during construction and lines installed by or at the request of Declarant.

Section 22. Air-Conditioning Units. No window air conditioning units may be installed except as may be permitted by the ACC, but in no event shall a window air conditioning unit be installed in any dwelling so as to be visible from the front of any Lot or any adjoining street.

Section 23. Artificial Vegetation. Exterior Sculpture. Exterior Statuary and Similar Items. No artificial vegetation or plastic animal decorations, such as pink flamingos, etc., shall be permitted on the exterior of any property. Exterior sculpture, fountains, flags, bird baths, bird houses, and similar items must be approved by the ACC.

Section 24. Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless they are an integral and harmonious part of the architectural design of a structure, as determined in the sole discretion of the ACC.

Section 25. Swimming Pools. No swimming pool or outside jacuzzi or hot tub shall be constructed, erected or maintained upon any Lot without the prior written consent of the ACC, and in no event shall any above-ground swimming pool be permitted.

Section 26. Gardens and Play Equipment. No vegetable garden, hammock, statuary or play equipment (including, without limitation, basketball goals which are allowed to be erected beside the driveway) be constructed, erected or maintained upon any front area of any Lot unless the type and location thereof has been previously approved by the ACC.

Section 27. Mailboxes. There shall be a mailbox kiosk located within the Subdivision for the benefit of all Owners within the Subdivision. Pursuant to policy established by the United States Postal Service, Lot Owners shall receive and send mail via Centralized Box Units (CBUs), which shall be maintained by the Association.

Section 28. Exteriors. All exterior finishes and colors must be approved by the ACC. Any change to the exterior color, finish or texture of any improvement located on a Lot, including, without limitation, the dwelling, the roof on any dwelling or any fence, must be approved by the ACC.

Section 29. Chimneys. Prefabricated fireplaces shall be allowed as long as the chimney does not extend beyond the main ridge of the roof of the dwelling. If such chimney does extend beyond the main ridge of the roof of the dwelling, such chimney must be solid masonry construction.

Section 30. Clotheslines. No exterior clotheslines of any type shall be permitted upon any Lot.

Section 31. Window Treatments. No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose.

Section 32. Fuel or Water Tanks. No fuel tanks or water tanks shall be stored or maintained upon any Lot in such a manner as to be visible from any street or road or from any other Lot, unless used by Declarant in the ordinary course of developing the Property or Subdivision.

Section 33. Outbuildings and Similar Structures. No outbuilding, storage building or similar structure shall be erected, placed or allowed to remain on any Lot except those which are incidental to residential use, are constructed of the same or substantially identical materials as the residential dwelling on the Lot, are architecturally compatible with the residential dwelling on the Lot, are located no closer to the front boundary line of the Lot than the rear wall of the single-family residence located on the Lot and no closer to any side boundary line of a Lot than the applicable building setback requirements, and which have otherwise been approved by the ACC.

Section 34. Erosion Control. No activity which may create erosion or siltation problems shall be undertaken on any Lot without the prior written approval of the ACC of plans and specifications for the prevention and control of such erosion or siltation. The ACC may, as a condition of approval of such plans and specifications, require the use of certain means of preventing and controlling of such erosion or siltation.

Section 35. Insurance. Nothing shall be kept, and no activity shall be conducted on the Property which will increase the rate of insurance applicable to residential use for the Property or any Lots. No Owner shall do or keep anything, nor cause or allow anything to be kept, on his/her Lot or on the Common Property which will result in the cancellation of insurance on any portion of the Property, or Lots therein, or which will be in violation of any law, ordinance or regulation. No waste shall be committed on any portion of the Common Property.

Section 36. Independent Covenants. Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and in the event any one or more of said covenants or restrictions shall, for any reason, be held to be invalid,

or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect.

Section 37. Square Footage. Any dwelling erected on a Lot shall contain a minimum enclosed dwelling area of one thousand two hundred and fifty (1,250) square feet above ground. The term "enclosed dwelling area" as used in this Section shall mean the total enclosed area within a dwelling subject to both heating and cooling; provided, however, that the term specifically does not include garages, basements, terraces, porches, decks, stoops and like areas regardless of heating or cooling. Variances of these square footage requirements may be granted by the Declarant and/or ACC.

Section 38. Height and Accessory Building. No structure, except as provided herein shall be erected, altered, placed or permitted to remain on any detached single-family residential Lot other than a detached single-family dwelling not to exceed two and one-half (2 1/2) stories in height exclusive of the basement. A garage and a small accessory building may also be permitted on the Lot, provided, the use of such dwelling or accessory building does not in the opinion of the ACC overcrowd the site. Such accessory building may not be constructed prior to the construction of the primary dwelling nor without the approval of the ACC.

Section 39. Rights Reserved for Declarant and Builder. The provisions of this Declaration shall not be applicable to prevent or hinder the activities of Declarant or Builder in: (1) marketing the Subdivision, which includes, but not limited to, signage, parking facilities, or use of model homes, (2) operating sales and construction offices, (3) developing the Property, or (4) constructing residential dwellings. Declarant reserves an easement for itself and for Builder, and their nominees, over, upon, across, and under the Subdivision as may be required in connection with the development of the Subdivision, and other lands designated by Declarant and/or Builder, and to promote or otherwise facilitate the development, construction and sale and/or leasing of Lots, single-family dwellings, any portion of the Subdivision, and other lands designated by Declarant and/or Builder. Without limiting the foregoing, Declarant specifically reserves for itself and for Builder the right to use all paved roads and rights of way within the Subdivision for vehicular and pedestrian ingress and egress to and from construction sites. Specifically, each Owner acknowledges that construction vehicles and trucks may use portions of the Common Area. Without limiting the foregoing, at no time shall Declarant and/or Builder be obligated to pay any amount to Association on account of Declarant's and/or Builder's use of the Common Area. Declarant and Builders intend to use the Common Area for sales of Lot and single-family dwellings. Further, Declarant and/or Builders may market other residences and properties located outside of the Subdivision from Declarant's and/or Builder's sales facilities located within the Subdivision. Declarant and Builder have the right to use all portions of the Common Areas in connection with their marketing activities, including without limitation, allowing members of the general public to inspect model homes, installing signs and displays, holding promotional parties, picnics and similar events, and using the Common Area for every other type of promotional or sales activity that may be employed in the marketing of single-family dwellings. The easements created by this Section 38, and the rights reserved herein in favor of Declarant and Builder, shall be construed as broadly as possible and supplement the rights of Declarant and Builder set forth in this Declaration. At no time shall Declarant and/or Builder incur any expense whatsoever in connection with its use and enjoyment of such rights and easements.

ARTICLE V
RIGHTS RESERVED FOR DECLARANT

Notwithstanding anything contained herein to the contrary, during the Declarant Control Period, Declarant expressly reserves the right to (i) subject additional property to this Declaration by the method described herein; (ii) reasonably amend this Declaration without the consent of any Owners or Members; (iii) select, appoint and remove members of the Architectural Control Committee who need not be Members of the Association; (iv) select, appoint and remove the Officers and the Board of Directors of the Association who need not be Members of the Association. The Declarant may waive or assign any of the rights reserved herein to a Member, a non-Member, another entity (such as a management company) or the Association.

The Declarant Control Period shall automatically terminate when all of the Lots that will ultimately be contained within the Subdivision and operated by the Association are conveyed to Owners, other than Declarant. At any time, Declarant may terminate the Declarant Control Period by executing a Notice of Termination of Declarant Control Period and assigning all rights reserved herein to the Association. The Notice of Termination of Declarant Control Period shall be effective when filed in the Onslow County Registry.

ARTICLE VI
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, late charges, costs, and reasonable attorneys' fees shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, late charges, costs, and reasonable attorneys' fees shall also be the personal obligation of the person(s) who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the welfare of the residents in the Property, for the improvement and maintenance of the Common Area, including Entry Features and Recreational Facilities, for the establishment of adequate reserves for the replacement of capital improvements, if any, located within the Common Area, for the payment of insurance premiums for contracts of hazard and liability insurance on the Common Area, for the payment of local ad valorem taxes or governmental charges, if any, on the Common Area, for any other major expense for which the Association is responsible, and for such other needs as may arise. The Association itself is responsible for ensuring proper liability insurance is always in effect, maintenance of all recreational facilities is being done properly, landscaping of common areas is being performed, and all local taxes, if any, have been properly paid on time.

Section 3. Budget and Reserves. The Association shall establish and maintain adequate reserve funds for the periodic maintenance, repair and replacement of improvements to the Common Area and those other portions of the property which the Association may be obligated to maintain by the Declarant or these Declarations.

Section 4. Assessment Amount and Due Date. Until December 31st of the year immediately following the conveyance of the first Lot to an Owner, other than Declarant or Builder, the maximum annual assessment shall be Two Hundred Fifty Dollars (\$250.00) for each Lot, which shall be collected and prorated as against the Owner upon closing and issuance of the Certificate of Occupancy. There shall be a twenty dollar (\$20.00) late fee assessed for all late payments. Neither Declarant nor any Builder shall pay any assessments, owner's dues or fees whatsoever on the Lots.

From and after December 31st of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by not more than ten (10%) percent over the prior year's assessment by the Declarant during the Declarant Control Period and thereafter by the Board of Directors of the Association without a vote by the Members.

On and after December 31st of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by more than ten (10%) percent above the prior year's assessment by a vote of two-thirds (2/3rds) of the appropriate and affected class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 5. Special Assessments for Capital Improvements. In addition to the maximum assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, any extraordinary maintenance, including vegetation, fixtures and personal property related thereto and any property for which the Association is responsible, provided, however, any such assessment shall have the assent of two-thirds (2/3) of the votes of each appropriate and affected class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Provided, however, the Board of Directors, at its option may declare that a special assessment be levied against all Lots, unless ninety (90%) percent of the total vote of each class of Members vote to reject it ("a Board Issued Assessment"). This Board Issued Special Assessment may be in an amount not to exceed \$250.00 per lot and may be used to defray the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Area. Neither Declarant nor any Builder shall pay any special assessments for capital improvements.

Section 6. Notice and Quorum for any Action Authorized Under Sections 4 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 5 or this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast at least sixty percent (60%) of all the votes of each appropriate and affected class of membership shall constitute a quorum. If the required quorum is not present,

another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Maximum assessments must be fixed at a uniform rate for all Lots; provided, however, annual and special assessments for all Lots owned by Declarant and Builder shall not be assessed unless and until dwellings are occupied by residents.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10.0%) per annum and shall be subject to a late charge of Twenty Dollars (\$20.00) per month. The Association may bring an action at law against the Owner personally obligated to pay the same for such delinquent assessment, interest, late charges, costs, management fee and reasonable attorneys' fees of any such action, or foreclose the lien against the Lot, which shall be come a lien as against the property. For purposes of this Section 8, the amount of delinquent assessment, plus accrued interest and late charges shall be considered evidenced by this Section 8 and, therefore, evidence of indebtedness shall exist hereby. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Working Capital Fund. At the time of closing of the sale of each Lot to an Owner, other than a Builder or Declarant, a \$100.00 fee shall be collected from the buyer and transferred to the Association for the Working Capital Fund. The purpose of said fund is to ensure that the Association Board will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the fund shall not be considered advance payment of regular assessments.

Section 11. Budget Deficits During Class B Membership. For so long as Declarant or Builder are Class B members, Declarant or Builder may, but shall have no obligation to: (a) advance funds or contributions of services or materials or a combination of services and materials, rather than money (herein collectively called and "in kind contribution"), or a combination of these, to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the general, special and specific Assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the party advancing such funds); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the

Subdivision; provided, however, no mortgage secured by the common area or any of the structures or improvements maintained by the Association shall be given in connection with such loan without the consent of the Owners entitled to cast two thirds (2/3) of the total eligible votes present and voting, in person or by proxy, at a duly called meeting at which a quorum is present.

ARTICLE VII **ANNEXATION OF PROPERTY**

As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to annex and subject such additional real property which is contiguous to the boundary of the Property, to the provisions of this Declaration or any Supplemental Declaration thereto, by filing for record in the public registry of the county in which the property to be annexed is located a Supplemental Declaration describing the property being subjected. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, Declarant may include additional restrictions and limitations affecting any such annexed real property.

ARTICLE VIII **EASEMENTS**

Section 1. Easements for Use and Enjoyment.

(a) Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment in and to the Common Property, which shall be appurtenant to and shall pass with the title to such Lot.

(b) Any Lot Owner may extend such Owner's right of use and enjoyment granted hereunder to the members of such Owner's family and to such Owner's tenants and social invitees, as applicable.

Section 2. Easements for Utilities. The Association or Declarant may grant easements when necessary for utilities over the Common Area and any portion thereof to serve the Subdivision and any portion thereof. An easement is hereby granted to the Association and retained by Declarant, without any obligation to do so, for the purposes of accomplishing the repairs, maintenance, replacements or any other work necessary to enforce the provision of this section.

Section 3. Easements Over the Lots. The Lots shall be subjected to, and the Declarant does hereby grant to the appropriate grantees thereof, the following easements:

(a) Each Lot shall be subject to all easements which are shown and depicted on any recorded plat as affecting and burdening such Lot;

(b) Each Lot shall be subject to an easement for slope control purposes, including the right to grade and plat slopes and prevent the doing of any activity that might interfere with slopes or which might create erosion or sliding problems or which might change, obstruct or retard drainage flow; and

(c) Those Lots shown on any plat for the Waverly Place Subdivision, as defined within the Additional Declaration, as having a "landscape easement" shall be subject to an easement for the installation and maintenance of the landscaping, walls and fences located on the area designated.

ARTICLE X

GENERAL PROVISIONS

Section 1. Enforcement. Each Owner and occupant shall comply strictly with this Declaration and Supplemental Declarations, if any. It is stipulated and agreed that the Owner and their heirs, successors, or assigns, may enforce this Declaration or Supplemental Declarations, if any, by injunction and that this shall not be in exclusion of, but in addition to, all other remedies available in law or equity. The Association shall have all enforcement rights as provided in the Planned Community Act including the right to fine for violations of this Declaration pursuant to the procedures provided in the Planned Community Act

Section 2. Self-Help. In addition to any other remedies provided for herein, the Declarant or its duly authorized agent, during the Declarant Control Period, shall have the power to enter upon any Lot or any other portion of the Property or Subdivision to abate or remove, using such force as may be reasonably necessary, any structure, thing or condition which violates this Declaration, the Bylaws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Declarant shall give the violating Lot Owner ten (10) days' written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice.

Section 3. Duration. The covenants and restrictions of this Declaration shall run with and bind the Property, and shall inure to the benefit of and shall be enforceable by any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, so long as, and to the extent that, North Carolina law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision shall be (a) automatically extended (to the extent allowed by applicable law) for successive periods of twenty (20) years, unless a written instrument reflecting disapproval signed by the then Owners of at least two-thirds (2/3) of the Lots and Declarant (so long as Declarant owns any property for development and/or sale in the Property or Subdivision or has the right unilaterally to annex additional property to the Property or Subdivision) has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended as otherwise provided by law. Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a

deed or other conveyance therefor, thereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

Section 4. Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing. Further, during the Declarant Development Period, Declarant may, with the consent of Builder, unilaterally amend this Declaration for any other purpose.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots (other than Lots of Declarant so long as the consent of Declarant is required) and the consent of Declarant, during the Declarant Control Period. Amendments to this Declaration shall become effective upon recordation, unless a later effective date is specified therein. No provision of this Declaration which reserves or grants special rights to Declarant shall be amended without Declarant's prior written approval during the Declarant Control Period. Any rights, privileges, benefits in this Declaration provided to Builder shall not be amended, changed, or altered without the written consent of Builder, which shall be recorded in the Onslow County Registry.

Any lawsuit challenging any aspect of an amendment to this Declaration must be filed in the appropriate court in the county in which the Subdivision is located within one (1) year of the recordation of such amendment in the public registry of the county in which the Subdivision is located.

Section 5. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

Section 6. Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and, to this end, the provisions of this Declaration are declared to be severable.

Section 7. Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed

as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Section 8. Variances. Notwithstanding anything to the contrary contained herein, the Declarant or its designee, during the Declarant Control Period, shall be authorized to grant individual variances from the provisions of this Declaration, and any rule, regulation or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Subdivision.

Section 9. Security. The Declarant may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve safety in the Subdivision. Notwithstanding the providing of any such measures or taking of any such action by Declarant, each Owner, for himself or herself and his or her tenants, guests, licensees and invitees, acknowledges and agrees that the Declarant is not a provider of security and shall have no duty to provide security in the Subdivision. It shall be the responsibility of each Owner to protect his or her person and property and all responsibility to provide security shall lie solely with each Lot Owner. The Declarant shall not be held liable for any loss or damage by reason of the failure to provide adequate security or ineffectiveness of security measures undertaken or provided.

IN WITNESS WHEREOF, the undersigned, Declarant herein, hereby executes this instrument by and through its duly authorized representative and under seal on the date set forth below.
